

BETTER TOGETHER GREEN-ITED FOR FUTURE

..... **Short-term volunteering project in an international group for young people from Italy, Bulgaria, France & Germany**

15 – 30 July 2022 in Walberberg (located between Cologne and Bonn)

You are between 18 and 30 years old? You want to meet other young people from different countries? You want to work in creative, gardening and manual projects? You want to learn more about climate protection and solidarity? Then apply now...

You can expect...

Creative, manual and gardening projects:

for example, creating a herb spiral, painting a garden shed, building furniture from pallets, creating an art and photography project.

Meeting other young people from different countries and having the chance to make international friends.

interactive workshops on topics such as sustainability, climate protection and solidarity and questions such as: Climate change - what does it actually have to do with me? What kind of world do I want to live in and how can I help shape it?

Spending time together at the “Jugendakademie Walberberg” with leisure offers, good food and (if you want to) a day in the high ropes course.

Possibility to bring in your own wishes and help shape the program.

Excursions to Cologne or Bonn.
